Sommario/riassunto	Recent tensions between the U.S. and Europe seem to have opened up an insuperable rift, while Americanization, deplored by some, welcomed by others, seems to progress unabated. This volume explores, for the first time and in a comparative manner, the role American culture and anti-Americanism play in eleven representative European countries, including major powers like Great Britain, France, (West) Germany, Russia/Soviet Union, and Italy as well as smaller countries like Austria, Denmark, Greece, Spain, Sweden, and Poland. Each contributor to the volume, all of them highly respected experts
