| 1. Record Nr.           | UNINA9910493241203321  |
| Autore                  | Nielsen Marianne O.  |
| Titolo                  | Colonialism is crime // Marianne O. Nielsen, Linda M. Robyn  |
| Pubbl/distr/stampa      | New Brunswick : , : Rutgers University Press, , [2019]<br>©2019  |
| ISBN                    | 0-8135-9875-3  |
| Descrizione fisica      | 1 online resource (x, 262 pages)   |
| Collana                 | Critical issues in crime and society   |
| Disciplina              | 362.8808   |
| Soggetti                | Indigenous peoples - Crimes against<br>Indigenous peoples - Legal status, laws, etc<br>Colonization - History<br>Electronic books.   |
| Lingua di pubblicazione | Inglese  |
| Formato                 | Materiale a stampa   |
| Livello bibliografico   | Monografia   |
| Nota di bibliografia    | Includes bibliographical references (pages 231-254) and index.   |
| Nota di contenuto       | here is powerful evidence that the colonization of Indigenous people was and is a crime, and that that crime is on-going. Achieving historical colonial goals often meant committing acts that were criminal even at the time. The consequences of this oppression and criminal victimization is perhaps the critical factor explaining why Indigenous people today are overrepresented as victims and offenders in the settler colonist criminal justice systems. This book presents an analysis of the relationship between these colonial crimes and their continuing criminal and social consequences that exist today. The authors focus primarily on countries colonized by Britain, especially the United States. Social harm theory, human rights covenants, and law are used to explain the criminal aspects of the historical laws and their continued effects. The final chapter looks at the responsibilities of settler-colonists in ameliorating these harms and the actions currently being taken by Indigenous people themselves. - from book cover. |
