Lingua di pubblicazione	Tedesco
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (pages 303-323) and index.
Sommario/riassunto	"Since the death of Mao Zedong in 1976, the Chinese Communist Party has been fighting for an inner-party and societal consensus on how to deal with its own "historical mistakes." Anja Blanke shows that the battle for collective memory is one of the ongoing, central political challenges facing the CPC as it seeks to stabilize the legitimation of its rule."--
