Sommario/riassunto

This book explores translation of feminism in China through examining several Chinese translations of two typical feminist works: *The Second Sex* (TSS, Beauvoir 1949/1952) and *The Vagina Monologues* (TVM, Enslar 1998). TSS exposes the cultural construction of woman while TVM reveals the pervasiveness of sexual oppression toward women. The female body and female sexuality (including lesbian sexuality) constitute a challenge to the Chinese translators due to cultural differences and sexuality still being a sensitive topic in China. This book investigates from gender and feminist perspectives, how
