Sommario/riassunto	'I told the guy sometimes your arm around my neck felt like...a feather boa...and sometimes it felt like a big ol' snake. Squeezing the life outta me.' One transatlantic marriage. Three continents. Two wars. <i>Boa</i> is an acerbic, warm and honest account of a husband and wife whose relationship spans thirty years of love, laughter, addiction, and warfare. A reading of <i>Boa</i> premiered at the Hightide Festival 2014.
