Sommario/riassunto	<p>Ces Mélanges en hommage au Professeur Pierre Ronzeaud sont non seulement un recueil d'études offert en remerciement pour son apport scientifique à la critique, à l'édition et à la connaissance, mais aussi un liber amicorum honoré de la signature de trente et un confrères et amis, spécialistes internationaux des littératures de l'époque moderne. Les principaux centres d'intérêts de P. Ronzeaud - utopies, mémoires, pamphlets, littérature et représentations sociales, rapports entre texte et imaginaire, les genres du libertinage (Sorel, Théophile de Viau), écriture morale et politique (La Bruyère, Fénelon), théâtre et idées (Corneille, Racine, Molière) - trouvent ici de nouveaux passeurs, s'associant au rayonnement de ses travaux sur la littérature, l'histoire et la politique, la fiction et la fictionnalisation, l'utopie, l'élucidation des sources, l'éclairage des textes, le dévoilement des fausses convictions, le libertinage, dans une perspective élargie sur les marges du XVIIe siècle auxquelles le titre de ce livre veut faire écho.</p>

Sommario/riassunto	This paper discusses Armenia's Second Review Under the Extended Arrangement and Request for Waivers of Nonobservance and Rephasing. Since late 2014, Armenia's economic performance has been affected by significantly weaker external conditions, as the slowdown of the Russian economy, the weakening of the ruble, lower metals prices, and the strengthening of the dollar have led to pressures on external receipts, particularly remittances. Performance under the program has come under strain. Three performance criteria (PCs) were missed both at end-December 2014 and end-June 2015. The authorities are requesting waivers of nonobservance for the missed June and

continuous PCs. The IMF staff supports completion of the review.
