Johnson -- Family strategies and structures in rural north China / Mark Selden -- Reconstituting dowry and brideprice in south China / Helen F. Siu -- Wedding behavior and family strategies in Chengdu / Martin King Whyte -- The peasantization of the one-child policy in Shaanxi / Susan Greenhalgh -- Cultural support for birth limitation among urban capital-owning women / Hill Gates -- Strategies used by Chinese families coping with schizophrenia / Michael R. Phillips -- Settling accounts: the intergeneration contract in an age of reform / Charlotte Ikels.
Sommario/riassunto	This collection of essays concerns both urban and rural Chinese communities, ranging from professional to working-class families. The

contributors attempt to determine whether and to what extent the policy shifts that followed Mao Zedong's death affected Chinese families.
