The Periodization of Chinese History -- Part III. Conclusion -- 7. Revolution, Marxism, and Chinese History -- 8. Epilogue: Social Change and History -- Bibliography -- Index
Sommario/riassunto	In Revolution and History, Arif Dirlik examines the application of the materialist conception of history to the analysis of Chinese history in a period when Marxist ideas first gained currency in Chinese intellectual circles. His argument raises questions about earlier interpretations of Marxist historiography by scholars who based their opinions primarily on post-1949 writings.
