   Sommario/riassunto These preprints do not include summaries of all the papers presented
                       at the Urbana meeting since authors were not required to submit their
                       material if they did not wish to. This policy was established by the ACM
                       Council as one of the conditions under which the preprints were
                       authorized.
