ISBN	1-4742-3689-8 1-4742-3688-X
Descrizione fisica	1 online resource (265 pages) : illustrations (some color), photographs
Classificazione	ART060000DES005000PER006000
Disciplina	792.02/6
Soggetti	Costume - History Performance art Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The first costume: ritual and reinvention -- Costuming choruses: spectacle and the social landscape on stage -- The grotesque costume: the comical and conflicted 'other' body -- The flight off the pedestal -- Agency and empathy: artists touch the body / Melissa Trimmingham -- A different performativity: society, culture and history on stage.
Sommario/riassunto	"This beautifully illustrated book conveys the centrality of costume to live performance. Finding associations between contemporary practices and historical manifestations, costume is explored in six thematic chapters, examining the transformative ritual of costuming; choruses as reflective of society; the grotesque, transgressive costume; the female sublime as emancipation; costume as sculptural art in motion; and the here-and-now as history. Viewing the material costume as a crucial aspect in the preparation, presentation and reception of live performance, the book brings together costumed performances through history. These range from ancient Greece to modern experimental productions, from medieval theatre to modernist dance, from the 'fashion plays' to contemporary Shakespeare, marking developments in both culture and performance. Revealing the

relationship between dress, the body and human existence, and acknowledging a global as well as an Anglo and Eurocentric perspective, this book shows costume's ability to cross both geographical and disciplinary borders. Through it, we come to question the extent to which the material costume actually co-authors the performance itself, speaking of embodied histories, states of being and never-before imagined futures, which come to life in the temporary space of the performance. With a contribution by Melissa Trimingham, University of Kent, UK"--
