Sommario/riassunto	When wealthy property developer Michael Devine goes missing, his wife Anne and their daughter Amy fear the worst. As the pieces of Michael's disappearance fall into place, the picture reveals a scandalous secret. On the other side of town, Paula and Gary Anderson have an unwanted visitor. Regretting ever having let Ray Wimple creep into their lives, they're now stuck with his unwelcome and insistent attention. When these two very different worlds collide, one fateful event will transform the lives of both families forever.
