Sommario/riassunto	The idea of national unification has long been a powerful mobilizing force for nationalist thinkers and ethnic entrepreneurs since the rise of nationalist ideology in the late 1700s. This phenomenon came to be known as irredentism. During the Cold War, irredentist projects were

largely subordinated to the ideological struggle between East and West. After the Cold War, however, the international system has witnessed a proliferation of such conflicts throughout Europe and Asia. Ambrosio integrates both domestic and international factors to explain both the initiation and settlement of irredenti
