'I'd Had Terrific Plans': The Return of the Gendered and Sexual Oppression in The Paying Guests Afterword: Telling it Straight? Water's Afterlives on Stage and Screen -- Bibliography -- Index.
Sommario/riassunto	"Sarah Waters: Gender and Sexual Politics uniquely brings together feminist and queer theoretical perspectives on gender and sexuality through close analysis of works by Sarah Waters. This timely study examines topics ranging from heterosexuality, homosexuality, masculinities, femininities, sex, pornography, and the cultural effects of othering and domination across her work. The book covers each of Waters's published novels to date including Tipping the Velvet, Fingersmith and The Paying Guests and also considers her non-fiction and academic writing as well as the television adaptations of her texts. O'Callaghan situates Water's writing as an important textual space for

the examination of contemporary gender and sexuality studies and locates her as an astute commentator and contributor to twenty-first century gender and sexual politics."--Bloomsbury Publishing.
