Sommario/riassunto	Hauptbeschreibung Many things can be said about the 2011 revolution in Egypt. And actually, many things have been said about it, especially by the media. The course of the news reports differed significantly from paper to paper. This study compares four US-newspapers, namely "The Wall Street Journal", "The New York Times", "The Washington Times", and the "San Francisco Chronicle" with regard to their reports on the events in Egypt from January 26 until February 12, 2011. This study provides the reader with important information about these specific newspapers, and the events that happened
