|-------------------------|--|
| 1. Record Nr. | UNINA9910511904803321 |
| Titolo | Fluid flow and heat and mass transfer through passages with complex geometries for advanced technology applications // guest editors, Mostafa Safdari Shadloo, Mohammad Reza Safaei, Manuel Hopp-Hirschler |
| Pubbl/distr/stampa | [Place of publication not identified] : , : Emerald Publishing, , 2020 |
| ISBN | 1-83982-487-5 |
| Descrizione fisica | 1 online resource (469 pages) |
| Collana | International Journal of Numerical Methods for Heat & Fluid Flow ; ; Volume 30, Number 1 |
| Disciplina | 621.4022 |
| Soggetti | Heat - Transmission - Mathematics Electronic books. |
| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
