Nota di contenuto	Chapter 1. Introduction. Approaching (im)politeness philosophically -- Part I. Social (im)politeness -- Chapter 2. Impoliteness and the human subject -- Chapter 3. Politeness as a social artistry -- Chapter 4. The social and epistemic benefits of polite conversations -- Part II. Normative (im)politeness -- Chapter 5. Mobile (im)politeness: The view from pragmatics -- Chapter 6. Polite strangers and 'rude' friends -- Chapter 7. The heart of politeness: Beyond social norms -- Part III. Emotional (im)politeness -- Chapter 8. Politeness, emotion and Aristotelean virtue -- Chapter 9. The epistemic value of politeness as a virtue -- Chapter 10. Politeness and tact in romantic love -- Part IV. Moral (im)politeness -- Chapter 11. Politeness and Pietas as annexed to the virtue of justice -- Chapter 12. 'An illusion of affability that inspires love': Kant on the value and disvalue of politeness -- Chapter 13. The hermeneutics of (im)politeness. .
Sommario/riassunto	This book explores what new light philosophical approaches shed on a deeper understanding of (im)politeness. There have been numerous studies on linguistic (im)politeness, however, little attention has been paid to its philosophical underpinnings. This book opens new avenues

for both (im)politeness and philosophy. It contributes to a fruitful dialogue among philosophy, pragmatics, and sociology. This volume appeals to students and researchers in these fields.
