Coda : being a young gay person in the 1970s-- reflections on reading young, gay and proud -- 16. Coda : small histories -- 17. Afterword : thoughts on "queer," "youth," and "histories."

Sommario/riassunto

This collection provides an international and transdisciplinary reflection on youth, history and queer sexualities and genders. Since the 1970s there has been an explosion in research focusing on LGBTQ history and on the lives of LGBTQ young people, but these two research areas have seldom been brought together explicitly.
