Future pathways for access to justice in business and human rights; 7. Achieving access to justice in Europe through mandatory due diligence legislation. -- 8. Achieving access to justice through an international treaty on business and human rights. -- 9. Conclusions

Sommario/riassunto

Achieving Access to Justice in a Business and Human Rights Context explores the interplay between access to justice and business and human rights- a growing area of international human rights law- in European civil-law countries.
