Livello bibliografico	Monografia
Sommario/riassunto	This text provides a practically applicable guide to facial aesthetics, non-surgical treatment and enhancement in patients of Asian descent. The available evidence base for the use of a range of available techniques when treating an Asian patient is presented and relevant aspects of facial analysis, treatment planning and provision are covered. Detailed instruction is given on how to use cutting edge techniques enabling the reader to develop a thorough understanding of how to proficiently perform these approaches in their clinical practice.
