

1. Record Nr.	UNINA9910781407203321
Titolo	Communication satellites for the 70's: systems [[electronic resource] ] : a collection of technical papers selected from the AIAA 3rd Communications Satellite Systems Conference, April 1970, subsequently revised for this volume // edited by Nathaniel E. Feldman [and] Charles M. Kelly
Pubbl/distr/stampa	Cambridge, Mass., : MIT Press, [1971]
ISBN	1-60086-500-3 1-60086-281-0
Descrizione fisica	1 online resource (679 p.)
Collana	Progress in astronautics and aeronautics ; ; v. 26
Altri autori (Persone)	FeldmanNathaniel E. <1925-> KellyCharles M <1922-> (Charles Matthias)
Disciplina	621.38/0422
Soggetti	Artificial satellites in telecommunication
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	""Cover""; ""Title""; ""Copyright""; ""Contents""; ""Preface""; ""Editorial Committee for Volume 26""; ""I. Canadian Domestic Satellite Communications System""; ""Canadian Domestic Satellite Communications Policy""; ""Network Distribution of Television By Satellite""; ""II. European Projects""; ""The Franco-German Telecommunication Satellite Symphonie""; ""Air-Air and Air-Ground Experiments for a Navigation Satellite Program""; ""The Italian Satellite SIRIO-SHF Propagation and Communication Experiments: Scientific Objective and Organization of the Experiments"" ""The Italian SIRIO Experiment: Satellite and Ground Equipment""""III. Systems for the Emerging Nations""; ""Systems for Emerging Nations: An Overview""; ""ACMEa€?A Hybrid Airborne Satellite Television and Communications System for India""; ""Status Report on Communications Satellite Systems for Developing Nations""; ""Communications Satellites, Technology Transfers, and Economic Development""; ""IV. U.S. Domestic Systems""; ""Domestic Satellite Systems of the Future""; ""An Instructional Communication Satellite System for the United States"" ""TV Satellite Distribution at Frequencies above 10 GHz""""ATS-F AND -

G System Summary"; "V. Aeronautical Service Systems"; "Satellites for Domestic Air Traffic Control"; "Experimental Evaluation of VHP for Position Fixing by Satellite"; "VI. Earth Resources Satellite Communication"; "Communication System Configuration for the Earth Resources Satellite"; "Earth Resources Data Collection by Communication Satellite: Problem, Scope, and Some Potential Solutions"; "VII. Defense Systems"; "IDCSP/A Satellite: Concept and Performance"  
"A Phase II Satellite for the Defense Satellite Communications System"; "Lincoln Experimental Satellites 5 and 6"; "Digital Techniques in Military Communication Satellite Systems"; "Performance of Spread-Spectrum Systems in a Multipath Environment"; "Satellite Systems for Integrated Communications, Navigation, and Identification"; "VIII. System Engineering"; "Information Transfer in 1990"; "Comparative Evaluation of Modern Transmission Media for Global Communications"  
"Use of an Empirical Product-Oriented Cost Data Bank for Predicting and Negotiating Future Satellite Systems Costs"; "Influence of Rain and Cloud Attenuation on the Design of a 20 to 30 GHz Spacecraft Communications Repeater"; "Measurement of Precipitation Scatter Effects on Propagation at 6, 12, and 18 GHz"; "Spectrum for Spacecraft Present Allocations"; "Technical Factors and Criteria Affecting Geostationary Orbit Utilization"; "Reuse of the Frequency Spectrum at the Satellite"  
"IX. The Relative Merits of Three-Axis and Dual-Spin Stabilization Systems for Future Synchronous Communication Satellites"

4. Record Nr.	UNINA9910524661003321
Autore	Schofield Brianna
Titolo	Understanding and Negotiating Book Publication Contracts / prepared for Author's Alliance by Brianna L. Schofield [and 6 others]
Pubbl/distr/stampa	Authors Alliance, 2018 Baltimore, Maryland : , : Project Muse, , 2019 ©2019
Descrizione fisica	1 online resource (280 pages.)
Collana	Authors Alliance ; ; no. 4
Soggetti	Copyright - United States Authors and publishers - United States Contracts - United States Authors - Legal status, laws, etc - United States Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction. About this guide -- Contract basics -- Negotiation fundamentals. The grant of rights -- What rights? -- The grant of rights clause -- Subsidiary rights. Your obligations -- Your book -- Future works. Getting your book to market -- The finishing touches -- Copyright registration -- Advertising and promotion. Follow the money -- Advances -- Royalties -- accounting. Parting ways -- Assignment provisions -- Termination -- Conclusion.
Sommario/riassunto	Authors are sometimes so grateful to receive a publication offer that they may be tempted to sign the first version of a publication contract that they receive, especially if negotiating seems complicated, intimidating, or risky. But there is a lot at stake for authors in a book deal, and it is well worth the effort to read the contract, understand its contents, and negotiate for favorable terms. A publication contract outlines what rights you are granting to your publisher and on what terms. If you sign away all of the rights in your book to the publisher for the life of copyright, this will preclude you from certain future uses of your work. Even if you don't have any future plans for your work, you

may still regret transferring all rights if your publisher does not make full use of them, your book falls out of print, or sales drop. And the grant of rights clause is only one part of the contract that deserves your careful attention. The terms of the contract can also dictate the specifics of how you will be paid for your book, how much input you have in the appearance of your book, your commitments relating to the manuscript and future works, who is responsible for legal claims stemming from your book's content, how your book will be promoted, whether and how you can regain control over the rights to your book, and much more. Happily, authors have something of value to bring to the negotiating table (your copyrights!) and negotiation provides the opportunity to establish the terms that it works for you as well as for your publisher. Our publication contract resources empower you to understand and negotiate a publication contract that benefits you, your publisher, and readers--and ultimately increases the impact of your book.
