Sommario/riassunto	Molly Salans has been a storyteller for many years, visiting children in deprived areas who have depression, ADHD and behavioral problems caused by poverty, absent fathers, depressed mothers, run-down schools and violence. Describing her therapy sessions as they happened, Molly Salans puts the children in the context of their lives and recounts her sessions, the folk and fairy stories she told and the ones they developed themselves. In doing so, she shows how storytelling and listening, thinking about characters in the stories and talking about alternative endings inspires the imagination, com
