Sommario/riassunto	In the autumn of 1944, around 70,000 people fled Estonia in the face of the Red Army's advance; most of them believed the Soviet

occupation would be short-lived and they would soon be able to return home. A comprehensive study of a common yet neglected phenomenon, this book tells the stories of the hoards of valuable belongings hidden by these Estonian escapees. The sheer variety of objects-including those that remain buried, those that vanished, and those that were recovered-touches upon all levels of history, from personal memories to high pol
