

1. Record Nr.	UNINA9910548167703321
Autore	Wallace Rodrick
Titolo	Deception and delay in organized conflict : essays on the mathematical theory of Maskirovka / / Rodrick Wallace
Pubbl/distr/stampa	Cham, Switzerland : , : Springer, , [2022] ©2022
ISBN	9783030961770 9783030961763
Descrizione fisica	1 online resource (xi, 75 pages) : illustrations
Collana	SpringerBriefs in Applied Sciences and Technology.
Disciplina	006.3
Soggetti	Computational intelligence Control theory Engineering - Data processing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	1. Failure of control 2 Failure of institutional cognition I 3 Failure of institutional cognition II 4 The 'Self-Maskirovka' of military scientism 5 Extending the models
Sommario/riassunto	This book explores the role of deception, delay, and self-deception in the dynamics of organized conflict, taking a formal approach that hews closely to the asymptotic limit theorems of information and control theories. The resulting probability models can, with some effort -- and some confidence -- be converted to statistical tools for the analysis of real-time observational and 'experimental' data on institutionalized confrontation across both traditional and emerging 'Clausewitz Landscapes'.
