| 1. Record Nr.           | UNINA9910552714003321  |
| Titolo                  | The history of maxillofacial surgery : an evidence based journey // Elie M. Ferneini, Michael T. Goupil and Steven Halepas, editors  |
| Pubbl/distr/stampa      | Cham, Switzerland : , : Springer, , [2022]<br>©2022  |
| ISBN                    | 3-030-89563-7  |
| Descrizione fisica      | 1 online resource (447 pages)  |
| Disciplina              | 617.520592   |
| Soggetti                | Face - Surgery<br>Maxilla - Surgery - History<br>Face - Surgery - History  |
| Lingua di pubblicazione | Inglese  |
| Formato                 | Materiale a stampa   |
| Livello bibliografico   | Monografia   |
| Note generali           | Includes index.  |
| Nota di contenuto       | Intro -- Foreword -- Preface -- Contents -- Contributors -- Part I: Early History -- Saint Apollonia: Patron Saint of Dentistry -- 1 Introduction -- 2 Egypt 249 CE, the First Written Description of Saint Apollonia -- 3 The Legend -- 4 The Patroness of Dentistry and the Healer of Dental Pain -- 5 Relics -- 6 St. Apollonia Commemorations: Statues, Churches, Plazas, Paintings, Stained Glass Windows -- References -- Anatomists: The Basis of Surgery -- 1 Introduction -- 2 From Galen to Vesalius -- 3 The Sphenoid Bone -- 4 Modern Anatomical Imaging -- 5 A Brief History of Cadaver Acquisition for Education -- 6 Anatomy Through Art and Atlases -- 7 Summary -- References -- The Barber-Surgeons -- 1 Introduction -- 2 Origins -- 3 Scope of Practice -- 4 European Medical Education -- 5 Notable Barber-Surgeons -- 6 The London Barber-Surgeons' Guild -- 7 Barber Pole -- 8 End of an Era -- 9 Summary -- References -- The Three Pillars of Surgery -- 1 Introduction -- 2 Hemostasis - Ambroise Paré -- 3 Anesthesia - Horace Wells -- 4 Asepsis - Joseph Lister -- 5 Summary -- References -- Anesthesia -- 1 Introduction -- 2 Inhalation Anesthetic Agents -- 3 Intubation and Inhaled Anesthesia Technology -- 4 Parenteral Anesthesia -- 4.1 Opioids -- 5 Sedative Hypnotics and Other Intravenous Anesthetics -- 6 Neuromuscular Blockers -- 7 Parenteral and Local Anesthesia Technology -- 8 Local Anesthesia -- |

8.1 Local Anesthesia Drugs -- 9 Summary -- References -- The Legacy of Maxillofacial Surgery During the Great War -- 1 Introduction -- 2 Front-Line Care: Origins of the Harvard Unit -- 3 Tertiary Care-Sir Harold Delf Gillies and the Surgeons of Sidcup -- 4 Maxillofacial Surgical Advances by the Central Powers -- 5 Anna Ladd and Jane Poupelet and Their Facial Masks -- 6 Summary -- References -- Formation of Head and Neck Surgical Specialties -- 1 Introduction. 2 Otolaryngology and Head and Neck Surgery -- 2.1 Birth of the Specialty -- 2.2 Organizations -- 3 Ophthalmology -- 3.1 Birth of the Specialty -- 3.2 Organizations -- 4 Oral and Maxillofacial Surgery -- 4.1 Birth of the Specialty -- 4.2 Organizations -- 5 Plastic and Reconstructive Surgery -- 5.1 Birth of the Specialty -- 5.2 Organizations -- 6 Summary -- References -- Part II: Conventional Procedures -- Head and Neck Infections -- 1 Prehistory -- 2 Treatment of Infection in Antiquity -- References -- Evolution of Tooth Removal -- 1 Introduction -- 2 Ancient History -- 2.1 Prehistory Humans -- 2.2 Eastern and Egyptian Era -- 2.3 Greek and Roman Era -- 2.4 Practitioners -- 3 Early Instruments -- 4 Nineteenth-Century Pioneers -- 5 Twentieth-Century Notables -- 6 Summary -- References -- Dental Implants and Bone Augmentation -- 1 Introduction -- 2 Implants in the Early Twentieth Century -- 3 Brånemark and the Foundations of Modern Implantology -- 4 Bone Augmentation -- 5 Guided Bone Regeneration -- 6 Sinus Lifts -- 7 The Twenty-First Century -- 8 Future Direction -- 9 Summary -- References -- Midface Trauma -- 1 Introduction -- 2 Imaging -- 3 The Maxilla, Rene Le Fort, and Le Fort I, II, and III Fractures -- 3.1 Modern Treatment -- 4 Zygoma and Zygomatic Arch Fractures -- 4.1 Modern Treatment -- 5 Nasal Bone Fractures -- 5.1 Modern Treatment -- 6 Conclusion -- References -- Mandibular Trauma -- 1 Introduction -- 2 The Hellenic Period -- 3 The Early Medieval Period -- 4 Middle Ages-Early Eighteenth Century -- 5 Eighteenth Century -- 6 Nineteenth Century -- 7 Early-Mid-Twentieth Century -- 7.1 Rigid Internal Fixation -- 8 Late Twentieth Century -- 8.1 Compression Osteosynthesis -- 8.2 Miniplate Osteosynthesis -- 9 Present Day -- 10 Conclusion -- References -- Part III: Advanced Procedures -- Orthognathic Surgery -- 1 Introduction. 2 The Pioneering Era (1850-1960s) -- 3 Early Mandibular Osteotomies -- 4 The Sagittal Split Osteotomy -- 5 Mandibular Subapical Osteotomies -- 6 Genioplasty -- 7 The Introduction of Maxillary Osteotomies -- 8 Isolated Anterior Maxillary Segmental Osteotomies -- 9 Isolated Posterior Maxillary Osteotomies -- 10 Complete Simultaneous Mobilization of the Maxilla and Mandible -- 11 Multipiece Segmental Maxillary Osteotomies -- 12 Midface Osteotomies -- 13 The Discovery Era (1960s-Present) -- 14 Hugo Obwegeser and the Paradigm Shift -- 15 The Specialty Is Named -- 16 The Acceptance of Orthognathic Surgery -- 17 A Global Specialty -- 18 Refinements of Orthognathic Surgery -- 19 Bone Plates and Screws -- 20 Technology Applied -- 21 Distraction Osteogenesis -- 22 Orthognathic Surgery, Health, and Well-Being -- 23 Considerations for the Future of Orthognathic Surgery -- 24 Conclusion -- References -- Radiation Oncology -- 1 Early History and Clinical Applications -- 2 The Foundations of Radiobiology -- 3 The Modernization of Radiation Delivery -- 4 Contemporary History of Head and Neck Radiation Oncology -- 5 Conclusion -- References -- Head and Neck Tumor Surgery -- 1 Introduction -- 2 Early Documents, Providers, Patients, and Essential Ancillary Services -- 3 Histopathology -- 4 Frozen Sections -- 5 Antibiosis and Anesthesia -- 6 Paradigm Shift in Surgical Management of Oral/Head and Neck Cancer -- 7 The Society of Head

and Neck Surgeons -- 8 Disruptive Innovation: Enter Oral and Maxillofacial Surgery -- 9 Six-Year OMFS/MD Residency Programs and General Surgery Training -- 10 Accreditation by the Commission on Dental Accreditation -- 11 The American Association of Oral and Maxillofacial Surgeons -- 12 Certification by the American Board of Oral and Maxillofacial Surgery.

13 Certificate of Added Qualification in Head and Neck Oncologic and Reconstructive Surgery -- 14 Section of Surgical Oncology and Reconstruction of the Journal of Oral and Maxillofacial Surgery -- 15 The Provision of Microsurgical Reconstructive Surgery -- 16 Future Opportunities and Directions -- References -- Surgical Flaps -- 1 Introduction -- 2 Random Tissue Advancements -- 3 Local and Regional Flaps -- 4 Deltopectoral and Pectoral Flap -- 5 The Foundations of Vascular Surgery -- 6 Radial Forearm Flap -- 7 Deep Circumflex Iliac Artery Free Flap (DCIA) -- 8 Fibula Free Flap -- 9 Scapular Free Flap -- 10 Rectus Abdominis Free Flap (RAFF) -- 11 Anterolateral Thigh Flap (ALT) -- 12 Supraclavicular Flap -- 13 Submental Island Flap (SIF) -- 14 Facial Artery Musculomucosal Flap (FAMM) -- 15 Tissue Engineering -- 16 Summary -- References --

Microneurosurgery -- 1 First Accounts of Peripheral Nerve Surgery -- 2 Development of Microneurosurgery -- 3 Contemporary Practice of Microneurosurgery -- References -- Temporomandibular Joint Surgery -- 1 Introduction -- 2 Gap Arthroplasty/Discectomy/Disc Repositioning -- 3 TMJ Reconstruction: Autologous and Alloplastic -- 3.1 Autogenous -- 3.2 Alloplastic -- 4 Arthroscopy -- 5 Arthrocentesis -- References -- Distraction Osteogenesis -- 1 Introduction -- 2 Early Applications of Distraction Osteogenesis in Maxillofacial Surgery -- 3 Milestones and Advancements in Maxillofacial Distraction Osteogenesis -- 4 Considerations in Distraction Osteogenesis -- 5 Modern Clinical Implications of Maxillofacial Distraction Osteogenesis -- 6 Mandibular Distraction Osteogenesis -- 7 Maxillary and Upper Midface Distraction Osteogenesis -- References -- Craniosynostosis Surgery -- 1 Ancient Descriptions of Craniosynostosis -- 2 Early Scientific Descriptions of Craniosynostosis -- 3 Early Descriptions of Surgical Intervention. 4 The Revival of Surgical Intervention -- 5 Era of Modern Craniofacial Surgery -- 6 Advanced Cranial Vault Remodeling -- 6.1 Distraction Osteogenesis -- 6.2 Spring-Mediated Cranioplasty (Subsection Under Sect. 6) -- 7 Technological Advances in Craniosynostosis Surgery -- 8 Minimally Invasive and Endoscopy-Assisted Craniosynostosis Surgery -- 9 Conclusion -- References -- Cleft Lip and Palate Surgery -- 1 Origins, Anatomy, and Incidence of Clefts -- 2 History, Recognition, and Treatment of Clefts -- 2.1 Cultural History and Understanding of Clefts -- 2.2 Evolution of Treatment: Cleft Lip -- 2.3 Evolution of Treatment: Cleft Palate -- 3 Classification of Clefts Through the Years -- 4 Psychological and Cultural Influence on Clefts -- 5 The Present and Beyond -- References -- Facial Cosmetic Surgery -- 1 Introduction -- 2 Rhinoplasty -- 3 Forehead and Browlifting -- 4 Facelift -- 5 Blepharoplasty -- References -- Minimally Invasive Cosmetic Procedures -- 1 Introduction -- 2 Needle and Syringe -- 3 Neurotoxins -- 4 Dermal Fillers -- 5 Conclusion -- References --
