Sommario/riassunto

Extrait du site amazon.fr : "This book focuses on the central party apparatus of the Democratic Front for the Liberation of Palestine (DFLP), the Democratic Front (DF) branches established in the Occupied Palestinian Territories and Jordan in the 1970s, and the most influential and innovative of the DF women's organizations the Palestinian Federation of Women's Action Committees in the occupied territories. Until now, no study of a Palestinian political organization has so thoroughly engaged with internal gender histories. In addition, no other work attempts to systematically compare branches in different regional locations to explain those differences.
