

1. Record Nr.	UNINA9910552997503321
Autore	Nzila Charles
Titolo	Advances in phytochemistry, textile and renewable energy research for industrial growth : proceedings of the International Conference of Phytochemistry, Textile and Renewable Energy for Sustainable Development (ICPTRE 2020), August 12-14, Eldoret, Kenya / / edited by Charles Nzila, Nyamwala Oluoch, Ambrose Kiprop, Rose Ramkat, Isaac S. Kosgey
Pubbl/distr/stampa	Taylor & Francis, 2022 Boca Raton : , : CRC Press, , 2021
ISBN	9781003221968 1003221963 9781000521061 1000521060
Edizione	[1 ed.]
Descrizione fisica	1 online resource (1 volume)
Disciplina	572.2
Soggetti	Botanical chemistry Textile chemistry Renewable energy sources Industrialization SCIENCE / Life Sciences / Biochemistry SCIENCE / Life Sciences / Botany SCIENCE / Chemistry / Organic
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The International Conference on Phytochemistry, Textile, & Renewable Energy Technologies for Sustainable Development (ICPTRE 2020) was hosted by the World bank funded Africa Centre of Excellence in Phytochemicals, Textile and Renewable Energy (ACEII-PTRE) based at Moi University in conjunction with Donghua University, China and the Sino-Africa International Symposium on Textiles and Apparel (SAISTA). The theme of the conference was Advancing Science, Technology and

Innovation for Industrial Growth. The research relationships between universities and industry have enabled the two entities to flourish and, in the past, have been credited for accelerated sustainable development and uplifting of millions out of poverty. ICPTRE 2020 therefore provided a platform for academic researchers drawn from across the world to meet key industry professionals and actively share knowledge while advancing the role of research in industrial development, particularly, in the developing nations. The conference also provided exhibitors with an opportunity to interact with professionals and showcase their business, products, technologies and equipment. During the course of the conference, industrial exhibitions, research papers and presentations in the fields of phytochemistry, textiles, renewable energy, industry, science, technology, innovations and much more were presented.
