

1. Record Nr.	UNINA9910554068603321
Titolo	2021 Moratuwa Engineering Research Conference (MERCon) / / Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 2021
ISBN	1-66543-753-7
Descrizione fisica	1 online resource (xlviii, 740 pages)
Disciplina	620
Soggetti	Engineering - Research - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	MERCon 2021 aims to discuss the research and development in multidisciplinary engineering fields such as electrical and electronics engineering, computer engineering, material and chemical engineering, mechanical engineering, robotics, automation and control, textile and clothing engineering, civil and structural engineering, environmental engineering, Transportation engineering, management of technology and Supply chain management and logistics.

2. Record Nr.	UNINA9910139174803321
Titolo	Childhood education
Pubbl/distr/stampa	[Wheaton, MD], : [Association for Childhood Education International], 1924-
ISSN	2162-0725
Descrizione fisica	1 online resource
Disciplina	372
Soggetti	Education Kindergarten Educational innovations Psychology, Child Education Jardins d'enfants Periodical periodicals. Periodicals. Periodiques.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed "Over the next few issues, readers will begin to see changes in the journal that reflect a shift to Childhood Education: Innovations. ... we are re-invigorating Childhood Education to focus more completely on innovation in education. In Childhood Education: Innovations, we hope to capture both the excitement and the inspirational moments of this new day in education..." Vol. 93, issue 4 (2017).
