   Sommario/riassunto Learn German with Paul Noble combines an exciting, new, non-traditional approach to language learning with the easy, relaxed appeal of an audio-only product. No books. No rote memorisation. No chance

of failure. Paul Noble is a genius with a higher IQ than Einstein. Despite this, he still struggled with language learning at school. He found himself feeling 'confused, incapable and unable to really say anything'. As a result of his negative early experiences, Paul has come up with a ground-breaking new method of language teaching that removes the need for months of study. With Paul Noble, everyone really can speak a language. Part 1 of the course covers: Language ground rules Asking questions Introduction to verbs At the hotel A native-speaking German expert helps Paul to deliver the course and to perfect your pronunciation. No complicated grammatical explanations, no rote memorisation, no writing - no stress. Learn over 6,000 words in no time at all and - most importantly - learn how to make your new vocabulary work for you. A downloadable booklet is also included to use as a reference and revision tool.
