

1. Record Nr.	UNINA9910554865503321
Titolo	Companion to women's and gender studies // edited by Nancy A. Naples
Pubbl/distr/stampa	Hoboken, New Jersey : , : Wiley Blackwell, , 2020
ISBN	1-119-31513-1 1-119-31509-3
Descrizione fisica	1 online resource (518 pages)
Disciplina	305.409
Soggetti	Women - History Women - Social conditions Sex role - History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	"Women's and Gender Studies is an ever-changing field of academic inquiry that was born out of women's movement organizing in Western countries within and outside colleges and universities in the late 1960s and 1970s. The story surrounding the development of Women's and Gender Studies is often told through a U.S.-centric lens; but it is incomplete or, even misguided, without acknowledging the diversity of sites outside the U.S. that helped shape the field both within and outside of the academy. The Companion to Women's and Gender Studies attempts to correct some of the gaps and misrepresentations of the field, broadly defined, including attention to international, postcolonial, intersectional, and interdisciplinary insights from scholars in different parts of the world"--
