Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Section I. What is white-collar crime? The “discovery” of white-collar crime: the legacy of Edwin Sutherland / Aleksandra Jordanoska and Isabel Schoultz ; White collar crime: defintional debates and the case for a typological approach / Davis O. Friedrichs ; Measuring white collar crime / April Wall-Parker – Section II. Extent and cost of white-collar crimes. Types of harm, extent of harm, and the victims of occupational crimes / Petter Gottschalk ; From economic crime to corporate violence: the multifaceted harms of corporate crime / Gabrio Forti and Arianna Visconti ; Beyond state and state-corporate crime technologies: the symbiotic nature, harm, and victimization of crimes of the powerful and their continuation / Dawn L. Rothe and Corina Medley – Section III. What we know about white-collar offending. Who commits occupational crimes? / Michael L. Benson and Hei Lam Chio ; Who commits corporate crime? /Mary Dodge ; State-corporate crime / Ignasi Bernat and David Whyte ; Blurred lines: collusions between legitimate and illegitimate organizations / Wim Huisman ; Explaining white-collar crime: individual-level theories / Rachel E. Severson, Zachery H. Kodatt, and George W. Burruss ; Organizational and macro-level corporate crime theories / Jay P. Kennedy ; Integrated theories of white-collar and corporate crime / Fiona Chan and Carole Gibbs – Public opinion about white-collar crime / Francis T. Cullen, Cecilia Chouhy, and Cheryl Lero

Jonson ; Preventing corporate crime from within: compliance management, whistleblowing, and internal monitoring / Benjamin van Rooij and Adam D. Fine ; Preventing and intervening in white collar crimes: the role of law enforcement / Nicholas Lord and Karin van Wingerde ; Preventing and intervening in white collar crimes: the role of regulatory agencies / Angela Francis and Nicholas Ryder ; Prosecution, defense, and sentencing of white-collar crime / Ronald G. Burns and Michele Bisaccia Meitl ; The correctional experiences of white-collar offenders / Ben Hunter ; Punishing corporation / Mark A. Cohen – Section V. White-collar crime: an international perspective. White-collar and corporate crime: European perspectives / Christian Walburg ; White-collar and corporate crime in China / Henry N. Pontell, Adam K. Ghazi-Tehrani, and Bryan Burton ; White-collar crime in South and Central America: corporate-state crime, governance, and the high impact of the Odebrecht corruption case / Diego Zysman-Quiros ; Prosecuting and sentencing white-collar crime in US Federal Courts: revisiting the Yale findings / Miranda A. Galvin and Sally S. Simpson ; Marketing criminology: a critical engagement with primitive accumulation in the petroleum extraction industry in Africa / Ifeanyi Ezeonu ; Researching white-collar crime: an Australian perspective / Arie Freiberg ; Review of comparative studies on white-collar and corporate crime / Tomomi Kawasaki – Section VI. Emerging white-collar crime issues. Technology's influence on white-collar offending, reporting, and investigation / Thomas J. Holt and Jay P. Kennedy ; The elusiveness of white-collar and corporate crime in a globalized economy / Karin van Wingerde and Nicholas Lord ; Controlling corporate crimes in times of de-regulation and re-regulation / Steven Bittle and Jasmine Hebert.

Sommario/riassunto

"A comprehensive and state-of-the-art overview from internationally-recognized experts on white-collar crime covering a broad range of topics from many perspectives. Law enforcement professionals and criminal justice scholars have debated the most appropriate definition of "white-collar crime" ever since Edwin Sutherland first coined the phrase in his speech to the American Sociological Society in 1939. The conceptual ambiguity surrounding the term has challenged efforts to construct a body of science that meaningfully informs policy and theory. The Handbook of White-Collar Crime is a unique re-framing of traditional discussions that discusses common topics of white-collar crime—who the offenders are, who the victims are, how these crimes are punished, theoretical explanations—while exploring how the choice of one definition over another affects research and scholarship on the subject. Providing a one-volume overview of research on white-collar crime, this book presents diverse perspectives from an international team of both established and newer scholars that review theory, policy, and empirical work on a broad range of topics. Chapters explore the extent and cost of white-collar crimes, individual- as well as organizational- and macro-level theories of crime, law enforcement roles in prevention and intervention, crimes in Africa and South America, the influence of technology and globalization, and more. Accessible to readers at the undergraduate level, yet equally relevant for experienced practitioners, academics, and researchers, The Handbook of White-Collar Crime is an innovative, substantial contribution to contemporary scholarship in the field." -- Publisher's description.
