Sommario/riassunto

"This volume presents a comprehensive overview of biocultural rights, examining how we can promote the role of indigenous peoples and local communities as environmental stewards and how we can ensure that their ways of life are protected. With Biocultural Community Protocols (BCPs) or Community Protocols (CPs) are increasingly seen as a powerful way of tackling this immense challenge, this book investigates these new instruments pioneering pieces of legislation and considers the lessons that can be learnt about the situation of indigenous peoples and local communities"--Publisher's description.
