

1. Record Nr.	UNINA9910555188303321
Titolo	Altering frontiers : organizational innovations in healthcare / / edited by Corinne Grenier, Ewan Oiry
Pubbl/distr/stampa	Hoboken, New Jersey : , : John Wiley & Sons, , [2021] ©2021
ISBN	1-119-84241-7 1-119-84239-5 1-119-84243-3
Descrizione fisica	1 online resource (224 pages)
Disciplina	RA410.5
Soggetti	Medical care Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- Table of Contents -- Title Page -- Copyright -- Foreword by Jean-Louis Denis Adaptation, Trust and Methodology -- Foreword by Norbert Nabert The Challenges of Altering Frontiers: For Other More Collaborative Approaches -- Introduction The Challenges of "Altering Frontiers": The Multiple Facets of Boundaries to Cross and Articulate -- I.1. Altering frontiers: a boundary concept -- I.2. Conclusion -- I.3. References -- PART 1: Innovations as Seen by Stakeholders -- Introduction to Part 1 -- 1 Recognition of Patients' Experiential Knowledge and Co-production of Care Knowledge with Patients and Citizens in the 21st Century -- 1.1. Introduction -- 1.2. From "empowerment" to the "patient revolution", an international trend -- 1.3. From paternalism to different forms of participation and partnership with patients -- 1.4. Innovative practices -- 1.5. Conclusion -- 1.6. References -- 2 Innovative Organizations and Professional Strategies: The Nursing Professional Space -- 2.1. Introduction: experimenting experimentation -- 2.2. Participatory evidence-based policy: a new conceptual framework? -- 2.3. Article 51: a full-scale test -- 2.4. The nursing space: a controlled extension -- 2.5. Conclusion: new ways of doing things -- 2.6. Appendix: examples

of emancipatory innovations in the 1990s -- 2.7. References -- 3
Managed Communities of Practice in the Gerontology Sector: Case of a
CoP of Gerontology Volunteers in Sweden -- 3.1. Introduction -- 3.2.
Context and questions -- 3.3. Conceptual framework -- 3.4.
Illustrations -- 3.5. Conclusion -- 3.6. References -- PART 2:
Innovations on the Collective Side -- Introduction to Part 2 -- 4 Moving
from Partitioning to Transversality in Operating Rooms using Robot-
assisted Surgery -- 4.1. Introduction -- 4.2. The context of operating
rooms mobilizing the surgical robot.
4.3. The issue of technical and non-technical skills in the context of
robotic surgery -- 4.4. The effects of new technologies in terms of
individual and collective skills -- 4.5. Viewing at the heart of robot-
assisted surgery in urology -- 4.6. Discussion -- 4.7. References -- 5
Clinical Poles of Activity, an Opportunity for New Cooperation Between
the Actors? The Case of a Hospital -- 5.1. Key elements and objectives
of polar reform -- 5.2. Improving cooperation and better articulating
the logics present in the hospital: challenges and theoretical
identification -- 5.3. Context and methodology of the study -- 5.4.
Modalities of cooperation permitted by the establishment of the clinical
poles -- 5.5. Conditions for the use of articulations -- 5.6.
Cooperation in a polar structure, some research avenues -- 5.7.
References -- 6 Learning from Reforms Aiming to Disseminate
Innovative Organizational Models: The Case of Family Medicine Groups
in Quebec -- 6.1. Introduction -- 6.2. Conceptual framework -- 6.3.
Illustration of the analytical framework: the reflexive processes related
to the implantation of family medicine groups in Quebec -- 6.4.
Discussion -- 6.5. Conclusion -- 6.6. References -- 7 Variety and
Performance of Innovative Organizational Structures: The Emergence of
Territorial Support Platforms¹ -- 7.1. Introduction -- 7.2. Context of
the study -- 7.3. Conceptual framework -- 7.4. Empirical analysis --
7.5. Conclusion -- 7.6. Acknowledgments -- 7.7. References -- PART
3: Reflective Insights on Organizational Innovations in Healthcare --
Introduction to Part 3 -- 8 Proposals for New Approaches to
Contributory Evaluation of Healthcare Pathways from Interface
Organizations -- 8.1. Introduction -- 8.2. Context and research
questions.
8.3. Framework for analyzing the processes of diffusion of
organizational innovations: definition and principles (conceptual
framework) -- 8.4. Empirical illustrations of the innovation diffusion
processes supported by coordination platforms -- 8.5. Conclusion --
8.6. Acknowledgments -- 8.7. References -- 9 Innovation and
Absorptive Capacity of Organizations in the Healthcare Field -- 9.1.
Introduction: absorbing to innovate -- 9.2. Context and questions: the
challenge of openness -- 9.3. Theoretical framework: the notion of
organizational absorption capacity -- 9.4. Responses to the three OAC
pitfalls: illustrations -- 9.5. Conclusion -- 9.6. References -- 10
Quality Management in Hospitals: The Two Faces of Rationalization
Through Indicators -- 10.1. Introduction: are quality indicators a
managerial innovation? -- 10.2. Context and issues -- 10.3.
Management tools and organizational rationalization dynamics -- 10.4.
A dynamic of professional rationalization? -- 10.5. A dynamic of
managerial rationalization? -- 10.6. Conclusion: rationalizing through
indicators to rationalize "softly" -- 10.7. References -- List of Authors
-- Index -- Other titles from iSTE in Innovation, Entrepreneurship and
Management -- End User License Agreement.

2. Record Nr.	UNINA9910712656503321
Titolo	Characterization of peak streamflows and flood inundation of selected areas in North Carolina following Hurricane Matthew, October 2016
Pubbl/distr/stampa	U.S. Department of the Interior, U.S. Geological Survey Reston, Virginia
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
