

1. Record Nr.	UNINA9910555249303321
Titolo	Design of steel structures for building in seismic areas . Part 1 General design of steel structures for buildings : eurocode 8 : design of structures for earthquake resistance // Raffaele Landolfo [and four others]
Pubbl/distr/stampa	[Place of publication not identified] : , : Wiley : , : Ernst & Sohn, , 2018
ISBN	3-433-60921-7 3-433-60920-9 3-433-60919-5
Descrizione fisica	1 online resource (468 pages)
Collana	ECCS Eurocode design manuals
Disciplina	624.1762
Soggetti	Building, Iron and steel - Earthquake effects Steel, Structural - Earthquake effects
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
