|    | Livello bibliografico   | Monografia   |
|    | Sommario/riassunto      | This eBook is a collection of articles from a Frontiers Research Topic.<br>Frontiers Research Topics are very popular trademarks of the Frontiers<br>Journals Series: they are collections of at least ten articles, all centered<br>on a particular subject. With their unique mix of varied contributions<br>from Original Research to Review Articles, Frontiers Research Topics<br>unify the most influential researchers, the latest key findings and<br>historical advances in a hot research area! Find out more on how to<br>host your own Frontiers Research Topic or contribute to one as an<br>author by contacting the Frontiers Editorial Office: frontiersin.<br>org/about/contact |
