Sommario/riassunto	"Exclusive Feature Papers in Colorants" is a collection of important high-quality papers (original research articles or comprehensive review papers) published in open access. This Special Issue aims to discuss new knowledge or new cutting-edge developments in the colorants research field through selected works, in the hope of making a great contribution to the community. We intend for this issue to be the best forum for disseminating excellent research findings as well as sharing innovative ideas in the field.
