## Sommario/riassunto

"... a hot subject in today's scholarship... and a groundbreaking project of vital significance to the field of cultural studies at both 'western' and 'eastern' geographical locations." -- Elwira Grossman  
Over the Wall/After the Fall maps a new discourse on the evolution of cultural life in Eastern Europe following the end of communism. Departing from traditional binary views of East/West, the contributors to this volume consider the countries and the peoples of the region on their own terms. D
