Sommario/riassunto	<p>Digitalisation is leading to a fundamental change in all areas of life. This has advantages, but also undesirable side effects. The project "DiDaT - Digital Data as the Subject of a Transdisciplinary Process" deals with unintended side effects or "unseens" of the digital transformation. In this transdisciplinary process, more than 150 experts from science and practice have developed examples for the areas of</p> <ul style="list-style-type: none"> <li>- mobility,</li> <li>- health,</li> <li>- agriculture,</li> <li>- the future of small and medium-sized enterprises (SMEs) and the</li> <li>- use of social media</li> </ul> <p>identified relevant undesirable consequences of the use of digital data and developed socially robust orientations for dealing with them. The results of DiDaT are summarised in this white paper.</p> <p>Zusammenfassung</p> <p>Die Digitalisierung führt zu einem grundlegenden Wandel aller Lebensbereiche. Nebenwirkungen. Mit unbeabsichtigten Nebenwirkungen oder „Unseens“ der digitalen Transformation beschäftigt sich das Projekt „DiDaT – Digitale Daten als Gegenstand eines transdisziplinären Prozesses“. In diesem transdisziplinären Prozess haben über 150 Fachleute aus Wissenschaft und Praxis exemplarisch für die Bereiche

- Mobilität,
- Gesundheit,
- Landwirtschaft,
- Zukunft kleiner und mittlerer Unternehmen (KMU) sowie
- Nutzung Sozialer Medien

relevante unerwünschte Folgen der Nutzung digitaler Daten identifiziert und sozial robuste Orientierungen für den Umgang damit entwickelt. Die Ergebnisse von DiDaT sind in diesem Weißbuch zusammengefasst.

Sommario/riassunto	<p>If you feel like you're losing your teen to technology, you're not alone. Screen time is rapidly replacing family time, and for teens especially, it is hardwiring the way they connect with their world. In Screens and Teens, Dr. Kathy helps you make sense of all this and empowers you to respond. She:</p> <ul style="list-style-type: none"><li>·Exposes the lies that technology can teach your teen</li><li>·Guides you in countering those lies with biblical truths and helpful practices</li><li>·Shares success stories of families who have cut back on technology and prioritized each other</li></ul> <p>Kathy's research, experience, and</p>
