

1. Record Nr.	UNINA9910557757803321
Autore	Tanaka Satoshi
Titolo	Activation and Modulation of Mast Cells
Pubbl/distr/stampa	Basel, Switzerland, : MDPI - Multidisciplinary Digital Publishing Institute, 2020
Descrizione fisica	1 online resource (186 p.)
Soggetti	Medicine and Nursing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Mast cells, which play critical roles in IgE-mediated immediate allergic responses, have recently been found to be involved in much broader immune responses, a fascinating process of which is partly depicted in this volume.
