Sommario/riassunto

This edition of the Constitution of the Republic of Slovenia is accompanied by photographs taken on 19 June 2020, when during a wave of protests in defence of democracy, a group of citizens decided to make a symbolic gesture – to read the Slovenian Constitution in front of the National Assembly building. The response of the authorities confirmed that the democratic rights guaranteed by the Constitution are indeed threatened.

Ta izdaja Ustave Republike Slovenije je opremljena s fotografijami, posnetimi 19. junija 2020, ko se je med valom protestov v obrambo demokracije skupina prebivalcev odloila za simbolno gesto upora – branje slovenske ustawe pred stavbo državnega zbora. Odziv oblasti je potrdil, da so z ustavo zagotovljene demokratine pravice res ogrožene.
