Ukraine in international relations in 1918 -- Conclusion: Looking ahead : a comparison of the Occupation Regimes in 1918 and 1941-1944.
Sommario/riassunto	This book is a collection of essays by prominent historians from Austria, Germany, Ukraine, Poland and Russia, who undertook a thorough and detailed study of one as yet inadequately researched aspect of the First World War--the occupation of Ukraine by the Central Powers in 1918. The book provides a new and fresh perspective on the historical context of Ukraine's struggle for independence following the First World War.
