Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	1. Introduction -- 2. Review of related literature -- 3. Research methodology -- 4. Quantitative analysis -- 5. Qualitative analysis -- 6. Discussion -- 7. Conclusions and recommendations.
Sommario/riassunto	Based on two corpora: LOCNESS (Louvain Corpus of Native English Essays) and MLC (Non-English major Mainland Chinese Learner Corpus), this book explores the grammatical and lexical collocations of Chinese learner English. As one of the first systematic studies to investigate collocations in Chinese learner English based on learner corpora, this book provides significant implications for foreign language teaching and learning.
