

1. Record Nr.	UNINA9910564681503321
Titolo	Resilient communities and the peccioli charter : towards the possibility of an Italian charter for resilient communities / / edited by Maurizio Carta, Maria R. Perbellini, and Jose Antonio Lara-Hernandez
Pubbl/distr/stampa	Cham, Switzerland : , : Springer, , [2022] ©2022
ISBN	3-030-85847-2
Descrizione fisica	1 online resource (292 pages)
Disciplina	307.1416
Soggetti	Organizational resilience Sustainable urban development
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	<p>Intro -- Introduction: Antifragile Augmented Communities -- Contents</p> <p>-- About the Editors -- Design + Health: The Open City Paradigm -- 1 Introduction -- 1.1 Health -- 1.2 Social-Cultural Interactional Domain</p> <p>-- 1.3 Material-Spatial Interactional Domain -- 1.4 Bodily-Motor Interactional Domain -- 1.5 Perceptual-Cognitive Interactional Domain</p> <p>-- 1.6 Fragmentation in Health, Life, and Social Sciences -- 1.7 Fragmentation in Urban Systems -- 1.8 Fragmentations and Futures of the Food System -- 1.9 Towards a Design + Health Paradigm -- 2 Conclusion -- References -- The Resilient Landscape of a Community</p> <p>-- References -- Urban Resilience: A New Way to Live the Urban Space -- 1 City and the Crisis: Where are We From? -- 2 The Proximity City -- 3 Some Conclusions, Some Starting Points -- References -- Genius (Is Not) Loci Why Places Are Always Reborn from Something that Comes from the Outside -- 1 A Place in Itself is Not a Good -- 2 The Value of Forgetfulness -- 3 The Second Life of a Place -- 4 The Second Life of a Person -- 5 Genius Comes from The Outside -- 6 The Digital World is The Biggest Possibility of Reinventing Places -- References -- Caring for the City with the City -- 1 Law, Urban Regeneration and Sustainability -- 2 A Matter of Memory, Inclusion and Community Efforts -- 3 The City Saves Itself Alone -- 4 Urban Resilience and Resistance -- 4.1 Some Examples of Community Resistance -- 5</p>
