Descrizione fisica	1 online resource
Soggetti	Age factors in disease Aging Healthy Aging Geriatrics Periodical Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Sommario/riassunto	"npj aging aims to provide the community with a venue for publication of articles that provide new insight into all aspects of aging. The journal welcomes submissions from across the scope of aging research, from investigations of the biology of aging to clinical studies of interventions affecting the aging process and age-related diseases, to articles providing insights into the social and societal implications of aging."--publisher's website, viewed April 1, 2022.
