Sommario/riassunto	<p>Welcome to AAMAS 2022, the 21st edition of the International Conference on Autonomous Agents and Multiagent Systems! AAMAS gathers researchers and practitioners from around the world to share and discuss the latest advances in the field of autonomous agents and multiagent systems, and provides an internationally renowned high-profile forum for publishing and keeping up to date on all areas of agent technology. AAMAS is the flagship conference of the non-profit International Foundation for Autonomous Agents and Multiagent Systems (IFAAMAS). This edition of the conference, as in 2020 and 2021, will be held as a virtual event due to the COVID-19 pandemic. Previous editions were held in Bologna (2002), Melbourne (2003), New York (2004), Utrecht (2005), Hakodate (2006), Honolulu (2007), Estoril (2008), Budapest (2009), Toronto (2010), Taipei (2011), Valencia (2012), Saint Paul (2013), Paris (2014), Istanbul (2015), Singapore (2016), Sao Paulo (2017), Stockholm (2018), Montreal (2019), Auckland (2020, virtual), and London (2021, virtual).</p>
