

1. Record Nr.	UNINA9910571791303321
Autore	Chapman Adriane
Titolo	Proceedings of the 14th International Workshop on the Theory and Practice of Provenance // Adriane Chapman, Daniel Deutch, Tanu Malik
Pubbl/distr/stampa	New York : , : Association for Computing Machinery, , 2022
Descrizione fisica	1 online resource (67 pages)
Disciplina	610.285
Soggetti	Information systems
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	TaPP has a long tradition of attracting papers describing cutting-edge research on provenance. This year is no exception. We have received excellent submissions, each of which was carefully peer reviewed by 3 reviewers from a Program Committee consisting of experts in the field. The 10 accepted papers that appear in this volume showcase diverse, exciting and innovative research results ranging from theory to the development of practical tools.
