Sommario/riassunto	A Dictionary for the Modern Singer is an indispensable guide for students of singing, vocal pedagogues, and lovers of the art of singing. In addition to classical singing, genres, and styles, musical theatre and popular and global styles are addressed. With an emphasis on contemporary practice, this work includes terms and figures that influenced modern singing styles. Topics include vocal pedagogy, voice

science, vocal health, styles, genres, performers, diction, and other relevant topics. This dictionary will help students to more fully u
