Sommario/riassunto

This book offers an in-depth exploration of various New Testament passages with the purpose of identifying lessons, values, and behaviors that can contribute to an understanding of organizational spirituality from a Christian worldview. Covering contemporary concepts such as women in leadership, cross-cultural leadership, transparency, and authenticity, each chapter examines an organizational leadership topic through the lens of specific New Testament principles. This volume with a fresh perspective provides theoretical and practical applications for scholars and practitioners in the field of organizational leadership.
