Sommario/riassunto

"Comprehensive coverage, multidisciplinary guidance, and step-by-step instruction both in print and on video help you choose the best approach and get the best results for any facial rejuvenation challenge. Master Techniques in Facial Rejuvenation, 2nd Edition, by Drs. Babak Azizzadeh, Mark Murphy, Calvin Johnson, Guy Massry, and Rebecca Fitzgerald, presents multiple facial rejuvenation techniques by experts in the fields of plastic surgery, facial plastic surgery, otolaryngology, oculoplastic surgery and dermatology. Competing and complementary techniques focus on all areas of the face, providing a balanced and systematic approach to this fast-growing field"--Publisher's description.
