Sommario/riassunto	<p>In 1857, following the publication of Madame Bovary, Flaubert was charged with having committed an "outrage to public morality and religion." Dominick LaCapra, an intellectual historian with wide-ranging literary interests, here examines this remarkable trial. LaCapra draws on material from Flaubert's correspondence, the work of literary critics, and Jean-Paul Sartre's analysis of Flaubert. LaCapra maintains that Madame Bovary is at the intersection of the traditional and the modern novel, simultaneously invoking conventional expectations and subverting them.</p> <p>In 1857, following the publication of Madame Bovary, Flaubert was charged with having committed an "outrage to public morality and religion."
