Livello bibliografico	Monografia
Sommario/riassunto	<p>These conference proceedings constitute a selection of the best papers submitted to the 13th International Scientific Conference "Law in Business of Selected Member States of the European Union" which was organized by the Department of Business and European Law, Faculty of International Relations, Prague University of Economics and Business, Czech Republic. The conference was held in the University's premises on 4 and 5 November 2021 and welcomed speakers and participants from both Europe (United Kingdom, Denmark, France, Ireland, Belgium, Lithuania, Sweden, Poland, Slovakia, and the Czech Republic) and overseas (Saudi Arabia, Turkey, and South Korea). Given the ongoing Covid-19 related travel restrictions the conference was held in a hybrid format, being streamed online for those who could not join the conference venue in person. Unlike the conference events held in the past years, this conference has grown much more international. The papers were submitted and presented in English. All the papers included in this volume passed a rigorous double-blind peer review successfully and were checked for their originality using the iThenticate software kindly provided by the University. The participants' papers</p>

were presented in specialized sections which correspond to the subheadings of the present volume: 1. Section: Banking, Finance, and Insurance Law; 2. Section: Competition Law; 3. Section: Insolvency Law; 4. Section: European and International Legal Aspects of Doing Business; 5. Section: IT Law; 6. Section: Interference of Business and Constitutional Law. The conference has been supported by the Internal Grant Agency Project No. F2/74/2021 "Law in Business of Selected Member States of the European Union (13th annual conference)" of the Prague University of Economics and Business.
